**ORDER GRANTING DEFENDANTS’ UNOPPOSED MOTION FOR
EXTENSION TO FILE MOTION FOR PRELIMINARY APPROVAL**

Before the Court is Defendants’ Unopposed Motion for Extension to File Motion for Preliminary Approval and Incorporated Memorandum in Support, filed April 9, 2020.

Defendants seek to extend Plaintiffs’ deadline to file a motion for preliminary approval of class settlement, currently set for April 13, 2020, to April 20, 2020. In support of the Motion, Defendants aver that they need additional time to “assemble the data necessary for the notification letters ... that by statute must be sent ten days after filing the motion for preliminary approval,” and obtain signatures for the Proposed Settlement Agreement. Additionally, Defendants assert that an extension is merited because of the logistical difficulties caused by the COVID-19 pandemic. Plaintiffs do not oppose the Motion.

The Motion is well-taken and **GRANTED**. Plaintiffs’ deadline to file any motion for preliminary approval of class settlement is hereby extended to **April 20, 2020**.

IT IS SO ORDERED, this 13th day of April, 2020.
